

**Washington County Retired Teachers Association
ORTA/WCRTA Membership Application 2017**

Recipients of STRS benefits are invited to join both the Ohio Retired Teachers Association and the local affiliate (WCRTA). Local dues are required every year, even for life members of ORTA. If you receive benefits as a surviving spouse, you are eligible to join WCRTA as an associate member and are not required to join ORTA. By becoming a member of our county chapter, you help to support the people who work on behalf of retired educators; their efforts help to protect our retirement benefits. \$4.00 of each member's local dues goes to our scholarship fund, and the rest goes toward the newsletter, maintaining our website, and occasional guest lunches.
